

Elefantit

Yksi

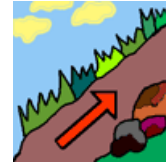

pieni

elefanti marssi näin,

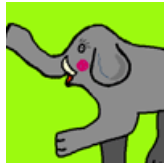

aurinkoista

tietä eteenpäin.

Koska matka oli pitkä niin,

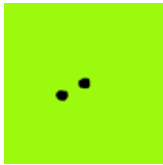

pyysi hän mukaan

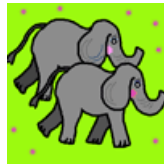

yhden toverin.

Kaksi

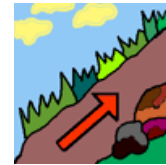

pientä

elefanttia marssi näin,

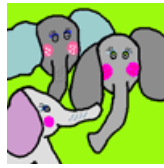

aurinkoista

tietä eteenpäin.

Koska matka oli pitkä niin,

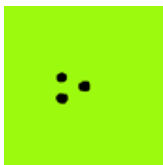

pyysivät ne mukaan

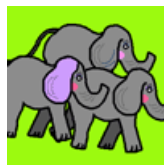

yhden toverin.

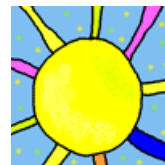

Kolme

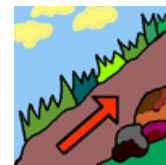

pientä

elefanttia marssi näin,

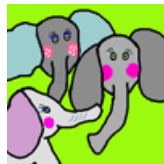

aurinkoista

tietä eteenpäin.

Koska matka oli pitkä niin,

pyysivät he mukaan

yhden toverin.
